: Playing control. Touch  to set up playlist.

The screenshot shows an iPhone music player interface. At the top, the status bar displays signal strength, the carrier name "中国联通", Wi-Fi, the time "17:51", and battery level. The app header includes a "Back" button, the track title "02 - Munich Philharmonic Orc...", and a music icon. Below the header, it shows "1 of 4" tracks. The current track is at 0:17 of a total duration of 11:08. A message states "This music is playing on 'HD PLAYER'" with a refresh icon on the left and a shuffle icon on the right. A playlist table follows:

Track Number	Track Name	Duration
1.	01 - Munich Philharmonic Orchestr...	16:31
2. 	02 - Munich Philharmonic Orchestr...	11:25
3.	03 - Munich Philharmonic Orchestr...	16:18
4.	04 - Munich Philharmonic Orchestr...	24:04

At the bottom, there is a playback control bar with "Previous", "Play", and "Next" buttons. Below that is a volume control bar with a music icon, a pencil icon, and a volume slider.
